

Donation boxes can be found at various businesses throughout Teller County. Generally you will find them by the cash registers. If you see one, drop in your change or more. All money collected goes to the needs at the shelter.

The businesses that participate compete to see who raises the most money during a quarter. They win prizes, and bragging rights. If your business would like to be a part of this fun program, please contact us at [events@tcrascolorado.com](mailto:events@tcrascolorado.com), or call the office at 719-686-7707.
